Detailed Driving Directions

To reach Halfmoon Bay Cabin, you will board the BC Ferry at Horseshoe Bay and enjoy the scenic 40 minute ride to the Sunshine Coast. During the summer and holiday weekends, **ferry reservations** (North America: 1-888-223-3779, outside North America: 1-250-386-3431), are highly recommended. After docking in Langdale, as a nice alternative to heading up the hill with all the ferry traffic, **turn left at the stoplight** at the ferry terminal exit, and visit the Coastal Town of Gibsons, with its marina and pier, where one can pick up fresh seafood, or how about lunch at the famous Molly's Reach, or The Seaside Café overlooking the harbour. There are also many local shops to wander through.

Just a couple of kms out of Gibsons, take the Lower Road through Roberts Creek, The Gumboat Café is renowned for its unique food and local patrons. Continue up the Coast into the Village of Sechelt.

From Sechelt, it's a 10 minute, (7 km), drive north along highway 101 until you come to **Redrooffs Road**. Here you will turn off, (to the left), and follow the scenic road along the waterfront properties approximately 7 kms to the **Halfmoon Bay Cabin, 8617 Redrooffs Road**. Covered parking is available beside the Cabin. (DO NOT DRIVE DOWN ADJECENT DRIVEWAY).
